RE: Practicing Law Without A License

Dear Honorable Judge Urbanski:

I am writing today after being served a summons from Harrisonburg/Rockingham General District Court for a criminal complaint generated by the Plaintiff, Samuel Orlando. The charge is "Practice Law Without A License." This is the 3rd time that I have been accused of this charge by the Plaintiff. The first complaint was denied by the Honorable Judge James F. Watson in the Lynchburg Circuit Court on 3/28/23 case #CL23000095-00. The second time, I was stopped in my vehicle and handcuffed as a warrant for my arrest was issued. This charge was nolle prosequi in Lynchburg General District Court on 5/19/23 - offense tracking # 680GM230000772.

As you are aware, my pro bono Attorney, Brad Pollack is unable to represent me and my son until his problems with the State Bar are finalized - at least until May 2024 - I/we are acting as Pro Se litigants. By being served today, I fear that anything I do as Pro Se representation will be met with my arrest, or at very least, more frivolous lawsuits.

Mr Neal and I believe that this is witness intimidation and malicious prosecution. I am a key witness for the IRS in a current case against one of the Plaintiffs guardians, Richard Edward Moore. This trial has been delayed, however, it is on-going. Mr Neal will be the key witness in a case that is currently in the investigation phase with Augusta County, State Police and other law enforcement agencies. Charges have not been brought on Mr Neal's case. Electronics seized during the execution of a search warrant on the Plaintiffs guardians home and business are in the process of being analyzed. Mr Neal was the catalyst for the warrant.

I believe that a Stay is warranted in this matter until we can obtain legal counsel. It is apparent that any attempt I make to represent myself and Mr Neal will be met with more frivolous lawsuits against me. Due to our lack of funds and the knowledge of many in the legal community of the litigious history of the Plaintiff and his guardians, finding legal counsel is very difficult. Attorneys are very intrigued by the story, but are not willing to undertake the job.

Sincerely,

Rebecca Byrd Neal

RULES 3A:3 AND 7C:3

HARRISONBURG/ROCKINGHAM

Under penalty of perjury, I, the undersigned Complainant swear or affirm that I have reason to believe that the Accused committed a criminal offense, on or about

DATE OFFENSE OCCURRED

in the ☒ City ☐ County ☐ Townof **HARRISONBURG**

I base my belief on the following facts: (Print ALL information clearly.)

Rebecca Neal is a defendant in a case I filed against her and her son for child sex trafficking and other offenses. Ms. Neal attended the non-party deposition of James Randy Gragg in the matter of Orlando v. Neal, case no. 5: 23-cv-00012, US District Court for the Western District of Virginia, which was held at the Hotel Madison, 710 S. Main St, Harrisonburg, VA 22802 on November 13, 2023. During the deposition, Ms. Neal interrupted the deposition to give Mr. Gragg legal advice on answering deposition questions at timestamp 15:43:30. (Ms. Neal advised Gragg as to relevance of a question and his duty to answer).

Neal said: "You have to answer the questions Randy, they don't necessarily pertain to anything." Gragg then followed Neals advice. Neal had been warned that she is not an attorney and not to give legal advice.

Later in the short deposition, at timestamp 15:44:08, Ms. Neal interrupted the Court reporters to advocate on behalf of Mr. Gragg, who she felt did not understand the question. Ms. Neal has additionally sent several emails to the Court on behalf of her co-defendant and Mr. Gragg, people she does not represent because she is not an attorney.

Ms. Neal covered up years of sexual abuse and trafficking where I was the victim. Now she is acting as an attorney in an attempt to represent people who may have additional evidence of her and her son's crimes against me, to keep that evidence from being exposed. In giving Mr. Gragg legal advice at the deposition, and in advocating in letter motions practice for Mr. Gragg and Bristol Neal, I believe Rebecca Neal has committed the offense of unauthorized practice of law in violation of Virginia Code § 54.1-3904, a class one misdemeanor, which has made it more difficult for me as a victim of child rape and trafficking to seek justice. Ms. Neal came to Harrisonburg and continued her behavior in Graggs deposition.

The statements above are true and accurate to the best of my knowledge and belief.

In making this complaint, I have read and fully understand the following:

- By swearing to these facts, I agree to appear in court and testify if a warrant or summons is issued.
- The charge in this warrant cannot be dismissed except by the court, even at my request.
